Last wednesday we had a wonderful attendance at the new RACV resort on the windy clifftop, with 90% of members attending along with partners and most of our honourary members and quite a few guests. The food, the service and the wine were all good. Well organised and all in the one room, leaving Rotarians to enjoy the company of their partners and guests. Judging by the smiles I photographed that night, everyone had a good night.

It seems the size of the conference rooms can be expanded to suit the number of guests, so now we have another option for Rotary Club functions.

Even though the accomodation is fully booked already, we did get a peak into one of the “ocean view” rooms. Plenty of room, some cooking facilities, spectacular view, bathroom is big enough for Inverloch’s footy team (all at once) .

Just across the windy, or was it a windey path was the Recreation block containing a long (30metres?) swimming/lap pool with Spa, Sauna, Gymnasium and a large Games room. Again full walls of glass provide oodles of light and those spectacular views over Venus Bay to Cape Liptrap and Wilson’s Prom. Even the view to the west up through the gulley to the Caravan sites and playground areas is quite pleasant. I think the pool building walls may open up fully in the summer for an *almost outdoor* pool.

I overheard quite a few “locals” on the night planning a few nights R&R at the RACV resort just to fully explore the facilities. Looks like a great new assett and a promotion for Inverloch.

Ross: "Food's all gone, I guess I'll try the wine now then."

A Bikers Wish(published vol22No12)

A man was riding his BMW along a California beach when suddenly the sky clouded above his head and, in a booming voice, the Lord said, "Because you have tried to be faithful to me in all ways, I will grant you one wish. The biker pulled over and said, "Build a bridge to Hawaii so I can ride-over anytime I want.

"The Lord said, "Your request is materialistic, think of the enormous challenges for that kind of undertaking; the supports required reaching the bottom of the Pacific and the concrete and steel it would take! It will nearly exhaust several natural resources. I can do it, but it is hard for me to justify your desire for worldly things. Take a little more time and think of something that could possibly help mankind."

The biker thought about it for a long time.

Finally, he said, "Lord, I wish that I and all men could understand women; I want to know how she feels inside, what she's thinking when she gives me the silent treatment, why she cries, what she means when she says nothing's wrong, and how I can make a woman truly happy."

The Lord replied, "You want two lanes or four on that bridge?"

FROM THE EDITOR

The Bulletin belongs to all Inverloch Rotarians and should be used by ALL the Members and ESPECIALLY the Board Members to communicate, inform, and remind Rotarians.

I am also always struggling to keep up a supply of clean jokes of various sizes to fill any blank space that I cannot fill with the good articles.

I hate typing so preference will be given to articles via email, CD, Memory stick, or floppy disk (I still have one on my current computer). If articles need to be typed please have them to me by Sunday, and only urgent items will be accepted as late as Tuesday.

Articles can be left in the mail box of Unit 9 – 5 Freda St. or emailed to beng@bigpond.com.au.

I also enjoy finding information on the net and from my browsing have found that Rotary information is very abundant on the net. I will research and incorporate any topic that members would like to read in the Bulletin.
