### *Major Items discussed at Board Meeting:*

- 1: Withdrawal from the "Road Cleaning" program due to major changes to rules and reporting by the Keep Australia Beautiful Council.**

## **THE FAMILY OF ROTARY**

Clubs are reminded that December is Family of Rotary month. Friendship was the foundation on which Rotary service was built. Clubs are encouraged to care for fellow Rotarians and their families; expand their Rotary family to more fully encompass youth involved in Rotary programs and other community service partners; and extend membership opportunities to members of the family of Rotary. Clubs are encouraged to promote projects and activities with this in mind. Rotarians are encouraged to celebrate December as Family Month by boosting membership and participation in Rotary clubs.

### **Specifically, the family of Rotary includes:**

- Rotarians' family members
- Our neighbours in other clubs and districts around the world
- Rotary Foundation alumni
- Group Study Exchange members
- Rotary Youth Exchange students
- Rotaractors • Interactors • RYLA participants
- Inner Wheel and other spouse groups
- Global Networking Groups (Rotary Fellowships and Rotarian Action Groups) • Business sponsors

### **Supporting family of Rotary is of critical importance because it:**

- Builds lifelong friendships
- Enhances relationships within our own families
- Builds world understanding and peace
- Improves international solidarity and tolerance
- Contributes to membership growth
- Contributes to diversity of age, gender, race, ethnicity, culture, religion, and profession within club membership
- Improves Rotary's public image
- Strengthens clubs and their commitment to service

A healthy, global family of Rotary will help to ensure Rotary's continued presence as a vital instrument of service in the century ahead.
