President's Report:

Ian would like to thank his Auction Committee and all members for a very successful and well organized Dinner Auction last Friday night.

Final outgoings costs are still to be balanced but Ian estimates a net income of approximately \$14,500 part of which has already been distributed to local community organisations.

This could only be possible when all members put in.

A big "THANK YOU" from Rotary to all the local business owners and private sponsors for their generosity.

Thanks again to Judy, Bruce, all rotarians and our Auctioneers on the night, Greg Hocking and Patrick Barry.

Also his thanks go to John and his staff at *The Inlet Hotel* for an enjoyable meal and great service.

*Some items from last Wednesday's board meeting:*

Ian reports that the Club is to offer to build an outdoor BBQ (up to \$1,000) in the grounds of the new Aged Residential Centre presently under construction on Wonthaggi Road beside the Inverloch Motel.

Ian and Judy have proposed that the Club considers manning a fund-raising *SPINNING WHEEL* at each monthly Farmer's Market in the Glade, with a *crayfish* and other seafood as the prizes.

*Inverloch Primary school* has donated a full set of Encyclopaedia Britannica and several boxes of other Reference Books to be used for Rotary *Donations in Kind* overseas program.

*GPA South Gippsland* in Inverloch have also offered to donate three superceded computers, for use in same program if we can check and refurbish them as required.

Marcus has organised transport of these items to Andrew Walsh, 9820 DIK Chairman at RC of Pakenham for inclusion in their next overseas container.
