Agenda: *Christmas Party*

Attendance: Jovial!!

Reports:

Rotary Christmas Party: A wonderful evening was held at Ron & Jan Paice's house and the evening was very well attended by Rotarians and their families and friends. Father Christmas made the long journey to visit us and handed out Kris Kringle gifts to attendees. Thanks to Ron and Jan for all the hard work that they put into the very enjoyable evening.

January Market and Music In The Glade: The Club had a big day on January 8th with both the Market and the free Music event on in the Glade to be managed. The Market team did a wonderful job in organising a very successful market, while a number of Rotarians and Partners & Friends did a great job with the Sausage Sizzle ... special thanks to Margaret Fisher, Christine Peterson and Ian Turnbull for their great help. The Music evening went very well until rain intervened in the last hour. Thanks to everyone who contributed to an excellent 'free' event for the local community, with special thanks to Paul Everitt and Ken Fisher for designing and building an impressive stage. The excellent local band, Party Town, gave a vote of thanks to them too as it assisted their fine performance.

Cranbourne Harness Racing: 34 Rotarians, Partners and Friends attended the Cranbourne Harness Racing Club's January 19th race meeting. An enjoyable night was had by all with most having a collect from the TAB during the night. It was good to receive tremendous support from the Wonthaggi Rotary Club. Thanks are extended to Ross and Judy Wise for transporting everyone in their bus.

Boat Raffle: This is the last week for sales of the Boat Raffle and Club members have been very generous with their time in selling tickets and in transporting the boat to a number of locations. We have sold enough tickets already to ensure a reasonable surplus from the raffle with a number of big selling days still remaining. The Board has agreed with the proposal received that a significant portion of the surplus be donated to the Flood victims.

President's Report: Firstly thanks to all the Rotarians and the families and friends who have been so generous of their time over the Christmas period: the Boat Raffle, the Christmas Party, the Markets, Music In The Glade and other Rotary activities have all continued and all been organised and supported wonderfully.

Secondly, it is sad to hear of the passing of a special friend to Rotary in Jesse Bradley. All Rotarians will join with me to pass on our sympathy to Jesse's family and friends.

Lastly, the Board has agreed to select the local Community Radio Station, 3mFM, as the recipient of this years President's project. The Club will be assisting the station in procuring Outside Broadcast Equipment which will be crucial in providing many groups with a 'live voice' into the rest of the local community.
