Have You Heard The One About

Little Nancy was in the garden filling in a hole when her neighbor peered over the fence. Interested in what the cheeky-faced youngster was up to, he politely asked, "What are you up to there, Nancy?" "My goldfish died," replied Nancy tearfully, without looking up, "and I've just buried him." The neighbor was concerned, "That's an awfully big hole for a goldfish, isn't it?" Nancy patted down the last heap of earth then replied, "That's because he's inside your cat."
