This week's 'Attempt at Humour':

A German couple have a baby boy and name him Wolfgang. As the years go by, it seems that something is wrong with the child because he doesn't speak. They take him to several specialists who conduct all kinds of tests but they all come back negative. They cannot find anything wrong with the lad.

On his 6th birthday, Wolfgang is given some apple strudel. After trying it he says "Ze strudel is tepid."
"My God Wolfgang, you can speak!", they gush. "Why haven't you ever spoken before?"

Wolfgang answers, "Because up till now, things have been satisfactory."

October is Vocational Service Month

Vocational Service focuses on:

- Adhering to and promoting the highest ethical standards in all occupations
- Recognizing the value of all useful occupations, not just those that are pursued by Rotarians
- Contributing one's vocational talents to meeting the needs of the community

During October, Rotary clubs are encouraged to focus on this important avenue of Rotary service. Consider dedicating at least one meeting to discussing Vocational Service and plan a project or other activity to carry out through the year. Following are some suggested activities for clubs to consider:

- ▶ Devote the first meeting in October to examining Vocational Service, including The Four-Way Test and the Rotary Code of Conduct. After expanding members' awareness, solicit their input in planning projects for the remainder of the year.
- ▶ Introduce a "classification talk" series in which each member gives a five-minute talk on his or her vocation. These presentations give members the chance to learn the inner workings of jobs other than their own, including the various problems that arise and the solutions used to address them.
- ▶ Present a vocational award to someone in the community who has exemplified outstanding professional achievement and high ethical standards. Promote the presentation in the community, and consider making it an annual event each October.
- ▶ Help young people prepare for their careers by sponsoring a character building project, career day, job shadowing day, or mentorship program.
- ▶ Support professional development in the community by sponsoring a professional networking event or workshop, or start a career counseling program to help unemployed or underemployed adults compete in the job market.
- ▶ Have club members volunteer their vocational skills on a community or international service project. Many volunteer opportunities can be found on ProjectLINK, an online database that allows Rotary clubs to publicize projects in need of assistance.
