Volunteers Support required

This week's 'Attempt at Humour':

Walking into the bar, Mike said to Charlie the bartender, "Pour me a stiff one - just had another fight with the little woman."

"Oh yeah?" said Charlie, "And how did this one end?"

"When it was over," Mike replied, "She came to me on her hands and knees."

"Really," said Charles, "Now that's a switch! What did she say?"

She said, "Come out from under the bed, you hopeless chicken."

From DISTRICT 9820 / Rotary International

From **Tony Spring** (District Governor):

October is Vocational Service Month

When Paul Harris had his first meeting with his three colleagues they were all from different vocations. Throughout the years in Rotary, the emphasis has been on ensuring every Club was made up of a wide diversity of vocations. The second Object of Rotary states "High ethical standards in business and professions; the recognition of the worthiness of all useful occupation; and the dignifying of each Rotarian's occupation as an opportunity to serve society". This has been one of the strengths of Rotary. There is a wealth of knowledge and experience within the 1500 members of District 9820. I see it as our responsibility to impart this to our younger people, for it is with them the future of this country rests. Vocational Service is a cornerstone of Rotary and I encourage every Club in the District to become involved with the mentoring, supporting and encouraging of the younger people in our communities.
