This week's 'Attempt at Humour':

A little boy was attending his first wedding. After the service his cousin asked him: "How many women can a man marry?"

"Sixteen," the boy responded.

His cousin was amazed that he had the answer so quickly. "How do you know that?"

"Easy," said the little boy. "All you have to do is add it up, like the Bishop said - 4 better, 4 worse, 4 richer, 4 poorer."
