## District News / Rotary International News

### Update on Rotary involvement in Tassie and Gippsland Fires

#### **Tasmanian Fires.**

- As all Clubs would be aware the District has allocated \$5000 to Dist 9830(Tasmania). The following Clubs have also supported activities in Tassie: Frankston North, Warragul, Traralgon Central, and Yarram.
- We have had numerous phone calls and discussions with District Governor and Past District Governor with regards to assistance that District 9820 could provide in the Donelly fire area. At this time we have not received advice as to what assistance is required

## On a Lighter Note:

A motorist was about two hours from the Gold Coast when he was flagged down by a man whose truck had broken down.

The man walked up to the car and asked,  
'Are you going to the Gold Coast?'

'Sure,' answered the motorist, 'do you need a lift ?'

'Not for me. I'll be spending the next three hours fixing my truck. My problem is I've got two chimpanzees in the back which have to be taken to the Gold Coast Zoo. They're a bit stressed already so I don't want to keep them on the road all day. Could you possibly take them to the zoo for me? I'll give you \$100 for your trouble..'

'I'd be happy to,' said the bloke.

So the two chimpanzees were ushered into the back seat of the car and carefully strapped into their seat belts. Off they went.

Five hours later, the truck driver was driving through the heart of the Gold Coast when suddenly he was horrified!!

There was the motorist walking down the street and holding hands with the two chimps, much to the amusement of a big crowd.

With a screech of brakes he pulled off the road and ran over to the guy.

'What the heck are you doing here?' he demanded, 'I gave you \$100 to take these chimpanzees to the zoo.'

'Yes, I know you did but we had money left over --- so now we're going to Sea World.'
