District & International Rotary News

“A lot has changed since Paul Harris started the first Rotary club in 1905. But the most important things about Rotary haven’t changed and won’t ever change. Being a Rotarian means putting others’ needs before our own, and it means embracing our core values: fellowship and global understanding, ethics and integrity, diversity, vocational expertise and service, and leadership. The strategic plan is one more tool that we can and should use as we work to Engage Rotary, Change Lives.”

Ron D. Burton, RI President, 2013-14

JULY is Literacy Month

[First Woman As Vice President](#)

Anne Matthews begins term as first woman vice president

As Rotary clubs continue to promote diversity in their membership, Rotary is marking a milestone. Anne L. Matthews, a Rotarian from South Carolina, USA, began her term on 1 July as the first female vice president of Rotary International.

“Women have contributed significantly to Rotary initiatives, and will continue to do so”, says Matthews, who is also the first woman to serve as both a Rotary Foundation trustee and an RI director.

“No doubt, the unfortunate and sometimes misleading image of ‘an old boys’ club’ will be buried for good”. “Whether the job is done by a male or female is immaterial,” she adds. “What is important is that the individual who serves is effective in that role. With that said, I am extremely proud to be the first woman vice president and am thankful for the California pioneers who pursued membership of women in Rotary.”

Matthews says she began attending Rotary club meetings in 1989, on the recommendation of her minister. It wasn’t long before she became actively involved in her club. Her most satisfying moments, of which she says there have been many, include immunizing children against polio in India, digging wells in the Amazon jungle, and preparing food for the hungry.

“I feel especially peaceful when simply sharing stories and facts with Rotarians about the good Rotary is doing in pockets all over the world,” Matthews says. “Seeing and hearing their reactions is particularly satisfying.”

THE FOUR-WAY TEST

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL?
4. Will it be BENEFICIAL to all concerned?

SERVICE ABOVE SELF

On A Lighter Note:

A thoughtful Scottish Husband was putting his hat and coat on to make his way down to the local pub, He turned to his wee wife before leaving and said, ' Maggie - put your hat and coat on, lassie.' ' She replied, 'Awe Jock that's nice - are you taking me tae the pub with you? ' 'Nay,' Jock replied 'I'm turning the heat off while I'm out.
