District & International Rotary News

From DG Charlie

What a wonderful organisation we belong to and have the privilege to serve. Every Club visit just reinforces the diversity of Rotary in our demographic, our service areas and the way we Light Up Rotary in our respective communities. I am nearly halfway through the Club visits and enjoying the hospitality and the constant engagement with old and new friends that we are making as we cross the District. People come to Rotary to make a difference and that is the uniting bond that we share. Thank you to all who have gone out of their way to make us welcome, show us their areas of service and added the dimension of a new café, tourist attraction or community perspective to our Club Visits.

Today, as I was sitting taking in the dominance of the Cape Schanck Lighthouse on the Mornington Peninsula, I was reminded that this structure was built to provide a Beacon of LIGHT so that it provided safe passage through the adjoining waters for travellers in the past. However it also had to be built strongly enough to withstand the storms battering the Coastline and stand the test of time to serve the community that passed by. What a great analogy for our organisation - we exist to serve, we serve to provide a passage through life that enhances our community and we serve people we know and sometimes, just like the lighthouse, we serve people that pass us by. However, whether we know them or not, because of our service we have added a new dimension to their life and journey (a Polio vaccine, a toilet block, a park bench, a community garden, or simply a helping hand) that makes their trip a safer and more rewarding journey. So Rotarians, it is imperative that as we look at Membership month we build Rotary Clubs that are strong, enduring and continue to provide light to make the travellers in our community safer in the future

September is New Generation Month

THE FOUR-WAY TEST

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL?
4. Will it be BENEFICIAL to all concerned?

SERVICE ABOVE SELF

On A Lighter Note:

In a convent in Ireland, the 98-year-old Mother Superior lay dying. The nuns gathered around her bed trying to make her last journey comfortable. They tried giving her warm milk to drink but she refused it.

One of the nuns took the glass back to the kitchen. Then, remembering a bottle of Irish Whiskey that had been received as a gift the previous Christmas, she opened it and poured a generous amount into the warm milk. Back at Mother Superior's bed, they held the glass to her lips.

The frail nun drank a little, then a little more and before they knew it, she had finished the whole glass down to the last drop. As her eyes brightened, the nuns thought it would be a good opportunity to have one last talk with their spiritual leader. "Mother," the nuns asked earnestly, "Please give us some of your wisdom before you leave us."

She raised herself up in bed on one elbow, looked at them and said: "Don't sell that cow."
