Presidents Report

The start of September has arrived all too quickly. The District Governor has made his annual visit, giving the club the thumbs up and left us with some sobering statistics on the number of new clubs formed, but the world wide number of Rotarians has all but stayed the same.

Once again we are going to conduct our Boat Raffle and there is every reason to believe that it will be just as successful as it has been in the past.

Unfortunately, our Sports and Leisure Show has been unable to generate the support we had hoped for. I cannot say there was any particular reason why we were unable to sell enough sites to justify continuing with the event. I would like to thank the other members of the committee for the time and effort they put in.

I have enjoyed the past 2 months of my Presidency and hope all members are enjoying the program so far. If you have any ideas please bring them forward.

Regards Ken
