REPORTS:

BASS COAST CYCLE CHALLENGE

Despite heavy rain, blustery winds and the occasional clap of thunder, the first Bass Coast Cycle Challenge held on Saturday 19th November was well supported. The challenging courses were enjoyed by everyone, with promises of bigger fields next year when the word spreads.

The detailed organisation and months of planning ensured the success of the day.

By the time our course marshalls had returned to the finish most cyclists had completed their ride and were looking to relax, so the photos don't show the large number of people involved.
