ROTARY SERVING OUR COMMUNITY.
2012 JAZZ FESTIVAL PARADE:

The Rotary Club of Inverloch sponsored the Street Parade on Saturday 10th March. It was a huge success, with many more floats entered, which was no doubt influenced by the award of \$100 to each entry to spend on their float. The theme of the Parade was the colours black and white and each float used their imaginations to good effect.

Pictured are the Overall winning entry, The Conservation Society with the plight of the Penguins of the South Gippsland coast, who won \$400, and Dance Design who won \$200 for the Jazz Music section. Other \$200 winners were Wonthaggi University of the Third Age, and the Inverloch and District Pre-School.

INVOCATION: For good food, good fellowship and the privilege of giving service through Rotary, we give our thanks.

TOAST: Australia and Rotary.
